Commissioner:

The references cited on the attached form PTO-1449 are being called to the attention of the Examiner. A copy of each reference is enclosed.

The references were cited in a European Search Report for EP 01103095.4, the European patent application which corresponds to this application. A copy of the European Search Report is also enclosed so that the examiner may refer to it when deciding the relevance of the references.

The undersigned certifies that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

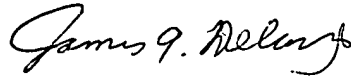

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.
